

Seminar - 2014: First Encounters with the New Civil Code

On January 30, 2014, **bpv** BRAUN PARTNERS and Advantage Austria (the Austrian Chamber of Commerce) organised a seminar on a hot topic – **2014: First Encounters with the New Civil Code**.

The seminar, which took place in German, was highly sought after. The main topics were:

- New principles – concluding an agreement, culpa in contrahendo, court jurisdiction, statute of limitations, business practices
- Checking the contents of GT&C, rules for concluding form contracts
- Impact on purchase agreements and agreements for work
- New legislation in the area of real estate, land registry and leases
- New rules in everyday life for companies – s.r.o./a.s.
 - New possibilities and reliefs
 - Liability of statutory bodies
 - Contracts with statutory bodies
- Liability and control in concerns, conflicts of interest
- Discussion: What must and can be done? Transitional provisions.
