

bpv BRAUN PARTNERS at Job Fair Contact in Brno

It is our nice tradition to participate on the fair of the job opportunities Job Fair Contact – this year we did not miss the sister event at the Faculty of Law in Brno, where students had the opportunity to chat with our attorney at law Jan Kec about life in the office, and Pavel Březina, who joked about student affairs and misfortunes.

We had a great time there and already look to welcome some of the promising students we've met as our future colleagues.
