The latest [Chambers Europe 2022](#) rankings have once again confirmed our expertise in our flagship areas – corporate/M&A, energy, real estate and employment. In the corporate/M&A category, managing partner [Arthur Braun](#) is again recognized for his broad professional expertise across many areas, including real estate, tech and start-ups.

In the energy law and project finance category, Chambers highlights the fact that bpv offers extensive expertise in renewables and cross-border work - "The lawyers can handle cross-border legal advice perfectly." Partners [Marc Müller](#), [Pavel Vincík](#) and [David Vosol](#) are then listed as key contacts.

Real estate law is again dominated this year by [Gabriela Špak Porupková](#) as a "very practical, pragmatic and experienced" lawyer and [Miroslav Dudek](#), "a very skilled and experienced lawyer who knows exactly which issues to focus on."

In the area of employment law, bpv is cited as one of the leading law firms in the Czech Republic and a popular choice for German-speaking clients, with references indicating that the service provided is of an "excellent" standard. The publication quotes clients praising of counsel [Lucie Kalašová](#) for her ability to handle the entire portfolio of employment law matters, adding that she "always provides effective and practice-oriented advice."
