Chambers & Partners once again recommends bpv BRAUN PARTNERS

bpv BRAUN PARTNERS is recommended in several areas in this year's Chambers Europe 2019 publication.

Chambers mentions bpv as one of the leading law firms in the Czech Republic for labour law and a popular choice for German-speaking clients, also highlighting clients' positive assessment of our of-counsel [Lucie Kalašová](#): *"(Lucie is) extremely good at what she does."*

The publication emphasises bpv's role as a leader in the field of energy law and project financing: *"This is a highly engaged team with in-depth knowledge of the specific issues we ask for; (they are) overall very efficient, with good specialists."* Partners [Marc Müller](#) and [David Vosol](#) are listed as key contacts.

Chambers lists managing partner [Arthur Braun](#) as a recommended attorney for corporate law / mergers and acquisitions: *"(He) advises a broad base of clients including foreign investors and domestic corporates on transaction-related matters. Clients appreciate his 'short response time, flexibility and good understanding of our business'."*

Finally, bpv is now also recommended for real estate law – this year's edition praises the real estate team for major transactions and mentions the most important deals where bpv acted as advisor. Clients commented on the team as follows: *"The lawyers have a really good understanding from a technical legal side, as well as the commercial side, so you don't need to explain the circumstances around it to them,"* and *"(the team is) friendly, reacts immediately, and is also flexible."* Chambers also mentions partner [Miroslav Dudek](#) (*"One source highlights that Miroslav Dudek 'has excellent understanding of not only the legal aspects, but also the commercial side, and strategically when negotiating the agreement is very wise and good at advising on the best approach'"*) and of-counsel [Gabriela Porupková](#).

We would like to thank all our clients and business partners for the trust they place in us, which allows us to maintain our excellent position.
