Marc Müller – New Partner at bpv BRAUN PARTNERS

bpv BRAUN PARTNERS presents its new partner

bpv BRAUN PARTNERS, an international legal firm with branches in Central Europe and Brussels belonging to the bpv LEGAL alliance, has a new partner as of March 1, 2016. Mr Marc Müller, M.B.A. is joining the Prague team. He will be working primarily in energy, German law and compliance.

After attending schools in Germany, the USA and Italy, Mr Müller studied law in Freiburg and got his MBA at the University of Wales. He practiced law for several years in Germany, worked for the E.ON Group in the Czech Republic as head of the legal department and held a top management position as proxy holder and member of statutory bodies in a number of companies within the group.

At **bpv BRAUN PARTNERS** Mr Müller will be making use of his experience in energy law. Among other things, he will be handling issues of compliance and corporate governance for corporate clients, and will be supporting Czech firms in their business ventures in Germany. Mr Müller speaks fluent German, Czech, Italian and English. He is an avid golfer and basketball player.

"We feel confident that Marc will be a great addition to our trilingual team, both for his professional knowledge and as a person. His sense for economics and his management experience are the perfect fit for an international office like ours. Since our careers first crossed paths 13 years ago at the international law offices of Haarmann Hemmelrath, we would just like to add: Welcome back!"

Arthur Braun MA, Managing Partner at bpv BRAUN PARTNERS.
